Haughton St. Giles C.E. Primary Academy

2017-2021 Equality Objectives

The school will set specific equality targets to improve the provision set out within this policy. New objectives must be set every 4 years but current targets should be reviewed annually.

School equality objectives for 2017-2021

1. Ensure effective use of Pupil Premium, closely monitoring its impact on disadvantaged pupils, particularly those with SEND.
2. Develop further opportunities for pupils to learn about different faiths through a robust Religious Education Curriculum, including visits and visitors to the school.
3. Raise awareness and develop an understanding of diverse family units within our school community ensuring that all pupils receive and value the support provided.

These Equality Objectives will be reviewed annually and the findings published on the website.
